JUNE - AUGUST 2017

JUNE 10 Fish n Float

On Saturday, June 10, 2017 will be the 2nd Annual Fish N' Float at Stuart's Landing, 9:30 am – 12:30 pm. This will be a free community event that will feature a variety of outdoor activities for children & adults. The purpose of the event is to reach out to our community, kick off summer and the start of Marshall Rec's canoe and kayak rental season! There will be free floats on the Millpond! The event will coincide with Michigan's Free Fishing Weekend, a two-day statewide event where anyone may fish without possessing a Michigan fishing license. There will be a fishing derby (with prizes!), and there are plenty of good fishing spots along the shore of Stuart's Landing. In addition to free watercraft rentals and a fishing derby, there will be archery, lawn games, music, & fun for the whole family!

Half off canoe & kayak floats Wednesdays from June 21 - July 26 (no float July 5). Trips are from 10am - Noon. \$15 per kayak & \$20 per canoe. Must pre-register by the day before to get discount. Each week's trip is to a different location. Bring your own watercraft and join the group for free!

Regular Float Pricing: \$30 per kayak, \$35 per canoe, \$10 per tube.
